CONTENTS

SECTION B—VOL. LXXI

No. 1—January 1970

PAGE

Tetraploidy and Alkaloid Content in *Datura metel* Linn. . . . . . E. K. Janaki Ammal and Usha Zutshi 1

Studies in the Genus *Cymbopogon* Spreng. III. Contribution to Cytogeography of Some Indian Species of *Cymbopogon* . . . Bal Krishen Gupta 4

Studies in the Genus *Cymbopogon* Spreng. IV. A New Species of *Cymbopogon* from Ladakh . . . . . Bal Krishen Gupta 9

An Account of the Genus *Hexamastix* Alexeieff (1912) from the Insects of India . . . . . T. Bhaskar Rao 13

***Myxosoma intestinalis* N. Sp. (Protozoa, Myxosporidia) from the Gut Epithelium of the Estuarine Fish, *Mugil waigensis* Quoy & Gaimard** . . . . . C. C. Narasimhamurti 19

Studies on Number of Inoculations on Rye Spikes (*Secale cereale* L.) by Needle Board Puncture Method in Relation to the Yield of Ergot Sclerotia . . . . . K. S. M. Sastry, R. N. Thakur, V. R. Pandotra, K. P. Singh and J. H. Gupta 28

Effect of Different Concentrations of Inoculum of Ergot Fungus [*Claviceps purpurea* (Fr.) Tul.] in Relation to the Yield of Ergot Sclerotia . . . . K. S. M. Sastry, J. H. Gupta, R. N. Thakur and V. R. Pandotra 33

A Comparative Account of the Lingual Myology of Some Birds . . . . . U. M. Rawal

No. 2—February 1970

A New Species of *Hyalotiella* . . V. Agnihothrudu and Padmabhai Luke 47

Physiological Studies on the Genus *Sclerotium*. IV. Respiration of *Sclerotium rolfsii* (Sacc.) and *Sclerotium oryzae* (Catt.) Grown on Nitrate and Ammonium Nitrogen . . . . . R. Narasimhan 50

Local Lesion Formation in *Cyamopsis tetragonaloba* Taub. with DEMV and Other Plant Viruses . . . . C. B. Sulochana and J. J. Solomon 56

Some Interesting Fungi. IV. Additions to Indian Mycoflora K. M. Ponnappa 66

No. 3—March 1970

PAGE

Some Aspects of the Morphology of the Rhizome of *Pteris wallichiana* . . . . . Subhash Chandra and B. K. Nayar 79

Studies in the Genus *Cymbopogon* Spreng. V. A New Species of *Cymbopogon* from Ramnagar . . . . . Bal Krishen Gupta 86

Studies in the Genus *Cymbopogon* Spreng. VI. A New Name in Genus *Cymbopogon* . . . . . Bal Krishen Gupta 90

Studies in the Genus *Cymbopogon* Spreng. VII. Some New Varieties in Indian *Cymbopogons* . . . . . Bal Krishen Gupta 94

On Five New Species of Nematodes from Vertebrates . . . . . T. D. Soota and Y. Chaturvedi 100

Control of Bandha [*Dendrophthöe falcata* (L.F.) Ettingsh]. II. Effect of Diesel Oil Spray on the Respiration of the Leaf of the Parasite . . . . . Bahadur Singh and H. P. Sharma 109

The Thelephoraceae of India—III. The Genus *Tubulicrinis* and *Hyphoderma* in India . . . . . K. S. Thind and S. S. Rattan 118

No. 4—April—1970

Introgression Between *Impatiens racemosa*, *I. laxiflora* and *I. scabrida* . . . . . K. L. Mehra, Narayan Rishi and Hari Keshore 133

The Development of the Eyes in *Stomoxys calcitrans* Linn. (Diptera–Cyclorrhapha–Muscidae–Stomoxydinae) . . . . P. R. Ranade 145

A New Type of Adrenal Tumor and Its Comparative Histopathology. I. Effects of DMB in Intact, Sterile-Mated and Mammectomised Mice . . . . . Jer K. Mody 150

A New Type of Adrenal Tumor and Its Comparative Histopathology. II. Induction, Progressive Development and Histogenesis . . . . . Jer K. Mody 157

A New Type of Adrenal Tumor and Its Comparative Histopathology. III. Serial Homologous Transplantation . . . . . Jer K. Mody 164

In vitro Synthesis of Oligosaccharides by Three "Fruit Rot" Fungi . . . . . I. J. Kapoor and R. N. Tandon 171

No. 5—May 1970

PAGE

Chaetognaths of the Indian Ocean, with a Key for Their Identification . . . . . E. G. Silas and M. Srinivasan 177

Seasonal Events in a Natural Population of *Daphnia carinata* King . . . . . Miss Sumitra Vijayaraghavan 193

Tissue Culture of Some Woody Species. R. Narasimhan, Bharati Dhruva, S. V. Paranjpe, D. D. Kulkarni, A. F. Mascarenhas and S. B. David 204

Studies in the Family Saxifragaceae. VII. Floral Morphology and Development of Gametophytes in *Ribes* L. . . . N. P. Saxena 213

No. 6—June 1970

Studies in Cyperaceae. III. Novelties in *Scleria* Berg. E. Govindarajalu 221

Some New and Noteworthy Plants From India . . V. N. Naik 226

On the Occurrence of Oxygen Maxima and Minima in the Upper 500 Meters of the North-Western Indian Ocean . . . . . D. Panakala Rao and R. Jayaraman 230

Observations on the Ecology of Some Sandy Beaches of the South-west Coast of India . . . . Bhaskara M. Panikkar and S. Rajan 247
